

SIREN SPEAKERS / SPARES

UST: Unique Siren Tube

With the continued development of new cars and compact engine size, available space under the bonnet is more limited than ever before. The UST has been specifically designed with this in mind utilising minimal space availability.

MODEL NUMBERS:

Full Unique Siren Tube Kits:

UST: Full UST kit

UST-ECON: Full UST kit (Economy Version)

UST-MINI: Full MINI UST Kit

UST-MINIEC: Full MINI UST Kit (Economy)

Full UST kits come with the Whelen® SD210 speaker driver, Whelen® rubber tubing and and Woodway aluminium flare tube. Economy kits come with both the same driver and the speaker flare, however the tubing is not reinforced or manufactured directly by Whelen®.
