ITU Trolley

An Infant Transport Unit that's quick and easy to move

Speed and safety are of paramount importance when incubators need to be transported between hospitals. This specially designed, highly manoeuvrable ITU is fully compatible with Ferno Lock+Load to accomplish the task quickly and easily.

- Lightweight for ultimate manoeuvrability
- Single push/pull handles at each end
- Compatible two-part mechanical lock supplied with floor fixings
- Designed to carry major incubator units

Specifications

Length	1830mm
Width	545mm
Height	615mm
Weight	48kg
Load Limit	140kg
