TRAVERSE RESCUE

Porter Litter Carrier

The Porter 2-wheeled Litter Carrier has a universal design that is compatible with all types and styles of ridged litters and features 8 adjustable handles for varying operator heights and ease of maneuverability.

- **Fast ratchet securing system** locks basket stretcher with 2 straps and 2 rubberized steel hooks/strap to cinch it down
- **Quick release pins** - provides safe locking of the handles on each side of the handle locks them into position with ease.
- **Compact storage and transport** - design allows the wheels to be removed quickly and easily and stored within the frame
